SUMMARY

M.Sc. Cyber Security student (B.Sc. Cyber & Digital Science, CGPA 8.51) with hands-on exposure to SOC workflows, digital forensics, network traffic analysis and OSINT. Completed a cybersecurity internship involving vulnerability identification and security documentation. Proficient in Python, Kali Linux, Wireshark and Nmap. Seeking an entry-level SOC Analyst, Security Analyst or Threat Intelligence role.

EDUCATION

M.Sc. Cyber Security 2026 – Present
Suryadatta International Institute of Cyber Security (SIICS), Pune – Savitribai Phule Pune University

B.Sc. Cyber and Digital Science 2023 – 2026
K.K. Wagh Arts, Commerce, Science and Computer Science College, Nashik *CGPA: 8.51*

Higher Secondary Education (HSC) 2022 – 2023
Moolji Jaitha Junior College, Jalgaon *61.33%*

Secondary School Education (SSC) 2021
Mahatma Gandhi Vidyalaya, Varangaon *74.20%*

EXPERIENCE

Cybersecurity Intern (Remote) Feb 2026 – Mar 2026
Redynox *Certificate ID: RDX-KR-20260319-4831*

- Practiced basic penetration testing and network vulnerability identification as part of real-world security tasks.
- Documented security findings and assisted in preparing mitigation strategies for identified risks.
- Gained exposure to SOC operations and threat-analysis workflows, linking classroom concepts to day-to-day security practice.
- Supported cybersecurity awareness and best-practice initiatives aimed at safeguarding digital infrastructure.

PROJECTS

Hands-on Security Labs *(Academic coursework)*

- Examined digital evidence with Autopsy and analyzed network traffic with Wireshark to identify and explain suspicious activity.
- Applied OSINT techniques, including Maltego, to investigate and trace digital footprints.
- Used Python to automate and support security-related tasks; practiced penetration testing fundamentals in Kali Linux.

TECHNICAL SKILLS

Security Domains: SOC Analysis, Digital Forensics, OSINT, Threat Intelligence, Network Scanning, Cloud Security Basics
Tools: Kali Linux, Wireshark, Nmap, Autopsy, Maltego, VS Code
Programming: Python, HTML, PHP, XML
Soft Skills: Leadership, Problem-Solving, Team Coordination, Security Documentation

CERTIFICATIONS

Introduction to Cybersecurity (Cisco) • Cybersecurity Internship Certificate (Redynox) • Networking Fundamentals • Python Programming

LEADERSHIP AND ACTIVITIES

- **Technical Head**, College Student Committee – led technical activities and coordinated team members.
- **Coordinator**, College Cultural & Technical Events – organized and coordinated campus events.

LANGUAGES & INTERESTS

Languages: English, Hindi, Marathi **Interests:** Exploring New Technologies, Reading, Badminton, Skating
